

OUR EXPERTS ARE YOUR EXPERTS.

Who We Are

GQR, established in 2009, stands as a global authority in strategic talent solutions, employing over 300 professionals across offices in London, New York, Austin, and Sydney. As a versatile provider, our offerings span search, contract staffing, strategic advisory, talent consultancy, embedded support, and comprehensive workforce solutions like RPO and VMS.

This breadth **allows individuals and small businesses to harness the advantages of scale**, supported by a technologically advanced and operationally efficient platform.

Our mission centers on **empowering entrepreneurs and driving growth for individual recruiters**. By leveraging a collaborative environment, we connect you with top talent and clients while providing access to state-of-the-art technology, an extensive network, and enduring support through leadership, mentorship, and robust Learning & Development resources.

Our Solutions

Through a flexible and robust service suite—encompassing search, staffing, strategic advisory, and end-to-end workforce solutions—GQR equips organizations with the tools and insights necessary to **align their workforce strategies with their broader business objectives**.
